INDUSTRY SYMPOSIUM

**Emerging Therapies in IgA Nephropathy:
The Rationale for Targeting APRIL**
Saturday, April 1, 2023 | 1-2 p.m. ICT

A message from:

Dear Colleagues,

It is our pleasure to invite you to join Otsuka & Visterra's industry-sponsored symposium, **"Emerging Therapies in IgA Nephropathy: The Rationale for Targeting APRIL,"** on **Saturday, April 1, 2023, at 1-2 p.m. ICT** in MR 111 ABC. This symposium will also be available to live-stream or on-demand.

Dr. Adrian Liew (Senior Consultant Nephrologist and Director of The Kidney & Transplant Practice at the Mount Elizabeth Novena Hospital, Singapore) and **Prof. Muh Geot Wong** (Senior Consultant Nephrologist and Director of Renal Research at Concord Repatriation General Hospital and Associate Professor of Medicine at the University of Sydney, Australia) co-chair an informative discussion on the role of APRIL in IgA Nephropathy (IgAN) pathogenesis and the existing clinical evidence supporting targeting APRIL in IgAN.

Objectives

- ➔ Review background on IgAN and the multi-hit IgAN pathogenesis
- ➔ Discuss B-cell biology and the rationale for targeting APRIL in IgAN
- ➔ Present an overview of existing clinical evidence supporting targeting APRIL in IgAN

Presentations will be followed by a live Q&A session with the co-chairs.

Please [pre-register](#) and join us!

ATTENDING ONLINE?

Industry Symposia will be streamed online and are open-access.

Check out the [open-access virtual registration](#). Pre-registration is still required.

In-person attendees must be fully registered to enter the room.

WHAT ARE INDUSTRY SESSIONS?

Industry Symposium sessions offer pertinent data on the latest scientific information and developments from the industry. Hear from leading experts on the latest advances in nephrology practices, therapies, services, and technologies in daily sessions on Friday, March 31 and Saturday, April 1.

Industry symposia are not organized by ISN and are not accredited with CME through WCN. Organizers may offer separate accreditation for their session.
