**Harbir Singh Kohli**  
India

**Mitchell Rosner**  
United States

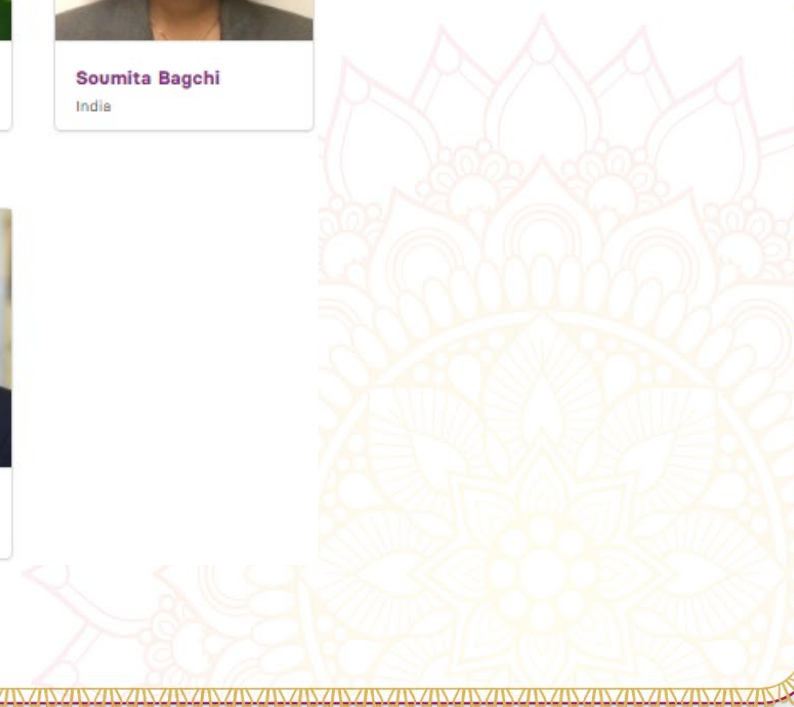

**Motoko Yanagita**  
Japan

**Sydney Tang**  
Hong Kong

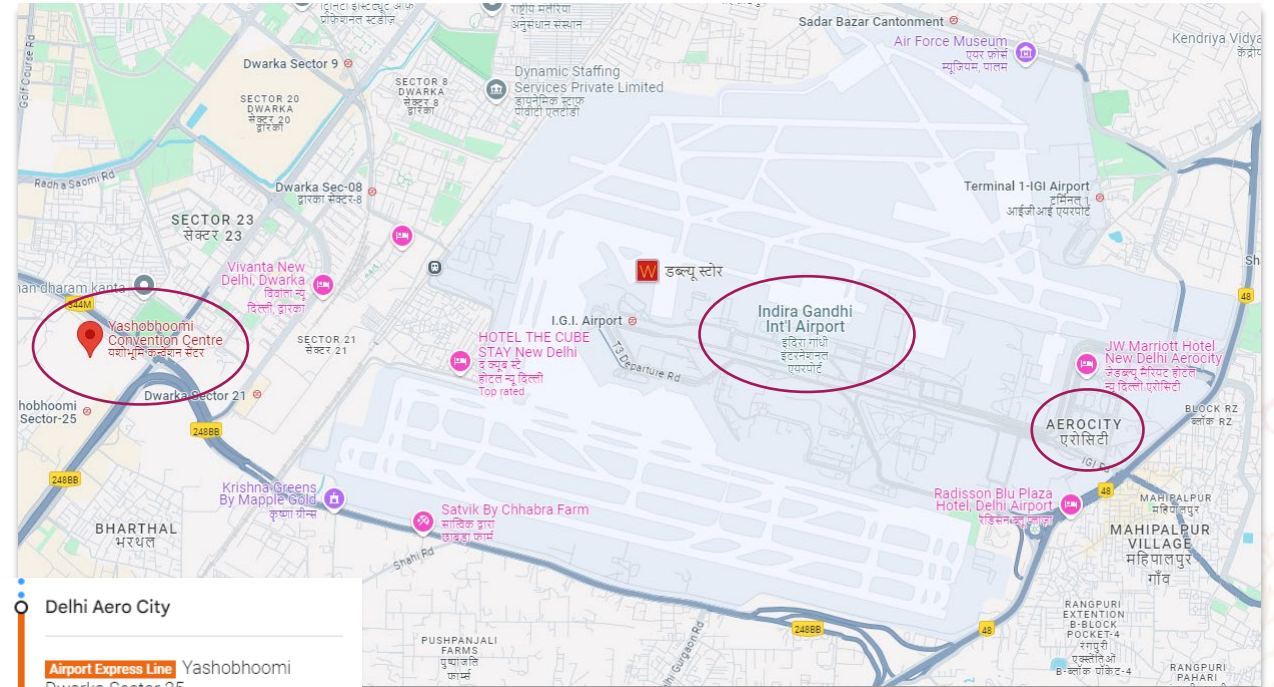

**Vivekanand Jha**  
India

The airport, venue and hotels are all in close proximity and connected by the metro.

The Indira Gandhi International Airport (IGI) is a 10-minute drive from Aerocity and 25-minute drive from the venue (depending on traffic).

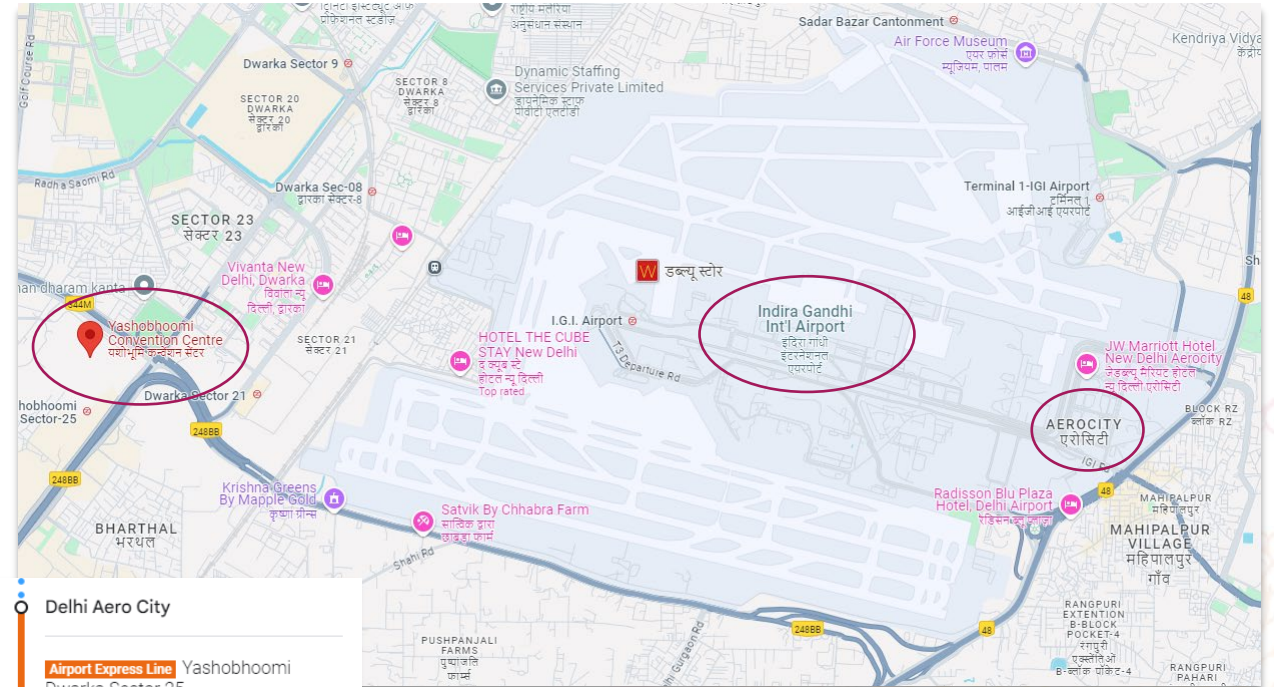

6:22 PM	Delhi Aero City
	<b>Airport Express Line</b> Yashobhoomi Dwarka Sector 25
	^ 9 min (3 stops) - Platform 1 - Stop ID: DACY
6:26 PM	I.G.I. Airport
6:29 PM	Dwarka Sector 21
	Service run by DMRC <a href="#">Ticket information</a>
6:31 PM	Yashobhoomi Dwarka Sector-25

To get to the venue each day, it's recommended to take the metro (2 stops). A shuttle from Aerocity (hotels) to the metro station will be available.

Even though the distance is short, the roads tend to be congested, so it's advisable to refrain from traveling by car or taxi to the venue from Aerocity. Due to the heavy traffic, the journey can take up to an hour.

6:22 PM	Delhi Aero City
	<b>Airport Express Line</b> Yashobhoomi Dwarka Sector 25
	^ 9 min (3 stops) - Platform 1 - Stop ID: DACY
6:26 PM	I.G.I. Airport
6:29 PM	Dwarka Sector 21
	Service run by <b>DMRC</b> <a href="#">Ticket information</a>
6:31 PM	Yashobhoomi Dwarka Sector-25

### Theme 1: Better Kidney Health

Topics covered include preventive and environmental science, population health science, global kidney health, and policy/advocacy, also transplantation as relevant.

### Theme 2: The Interconnected Kidney

Topics covered include cardiorenal syndrome, cardiovascular disease, hypertension, epi-nephrology, brain-kidney axis and pulmonary-kidney syndrome, multimorbidity, onconeurology, gut-kidney axis, and kidney liver connect, also transplantation as relevant.

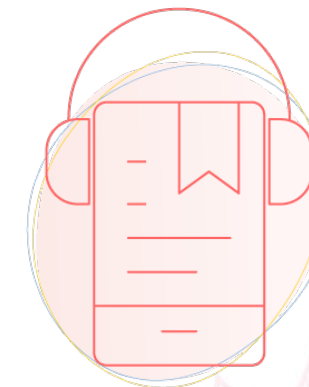

### Theme 3: The Kidney Losing Function

Topics covered include dialysis, chronic kidney disease—mineral and bone disorder, anaemia, and interventional nephrology.

### Theme 4: The Smart Kidney

Topics covered include genetics, precision medicine, machine learning/AI, complement dysregulation, and rare/orphan kidney diseases, also transplantation as relevant.

## Real-time translation in over 30 languages

(including Arabic, Bahasa, Bengali, Chinese, Czech, Dutch, English, French, German, Hebrew, Hindi, Italian, Japanese, Korean, Polish, Portuguese/Brazilian Portuguese, Romanian, Russian, Spanish, Swedish, Tagalog, Tamil, Thai, and Vietnamese)

Thursday, February 6, 2025

# PROGRAM DAY 1

Time	Session					
9 a.m. - 11 a.m.	<b>Hands-on Masterclass in Nephrology: Interventional Nephrology, Dialysis, and POCUS Course - Critical Care and Kidney Biopsy</b> 	<b>Navigating Kidney Care Symposium: From Guidelines to Practice, Personalized Care, and Quality of Life - Managing Transitions in Transplant and Promoting Adherence</b> 	<b>Glomerular Disease Course: A Case-based Approach to Renal Histology and Nephrotic Syndrome</b> 	<b>Conservative Kidney Management Course: Core Principles and Symptom Management</b> 	<b>Annual Review of Nephrology Course: Managing Kidney Failure</b> 	
11:30 a.m. - 1:30 p.m.	<b>Hands-on Masterclass in Nephrology: Interventional Nephrology, Dialysis, and POCUS Course - Hemodialysis and Complications</b> 	<b>Navigating Kidney Care Symposium: From Guidelines to Practice, Personalized Care, and Quality of Life - Prevention, Diabetic Patients and Acute Care</b> 	<b>Glomerular Disease Course - a Case-based Approach: Nephritic Syndrome</b> 	<b>Conservative Kidney Management Course: Navigating Symptoms and Metabolic Complications</b> 	<b>Annual Review of Nephrology Course: Best Practices in Diabetic Kidney Disease Care</b> 	
1 p.m. - 2:25 p.m.	<b>Building a CKDu Research Methodology Toolbox - Part 1</b> 		<b>ISN SharE-RR - Sharing Expertise to Support the Set-up of Renal Registries: Inspiration from Established Registries in South Asia</b> 		<b>ISN Train The Trainer Program for Pregnancy and Kidney Disease - Update and Toolkit Launch</b> 	
2:15 p.m. - 4:15 p.m.	<b>Hands-on Masterclass in Nephrology: Interventional Nephrology, Dialysis, and POCUS Course - Peritoneal Dialysis and Volume</b> 	<b>Navigating Kidney Care Symposium: From Guidelines to Practice, Personalized Care, and Quality of Life - Supporting Patients at Home</b> 	<b>Glomerular Disease Course: Case-based Approach to Rapidly Progressive Glomerulonephritis and Glomerular Diseases in Acute Kidney Injury</b> 	<b>Conservative Kidney Management Course: Shared Decision-making, Communication Skills and Capacity Building for End-of-Life Care</b> 	<b>Annual Review of Nephrology Course: Electrolyte Management in the ICU</b> 	<b>Professor Donal O'Donoghue Global Kidney Policy Forum: Opening Remarks and Setting the Scene</b> 
2:35 p.m. - 4 p.m.	<b>Building a CKDu Research Methodology Toolbox - Part 2</b> 			<b>Professor Donal O'Donoghue Global Kidney Policy Forum: Local Voices, Global Impact: Tackling Kidney Health Challenges in India</b> 		
2:45 p.m. - 4:05 p.m.	<b>ISN SharE-RR - Sharing Expertise to Support the Set-up of Renal Registries: Using Registries to Support Clinical Trials</b> 					
3:20 p.m. - 4:05 p.m.	<b>Professor Donal O'Donoghue Global Kidney Policy Forum: From Barriers to Solutions: Advancing Access to Kidney Care Across the Region</b> 					
4:05 p.m. - 4:15 p.m.	<b>Professor Donal O'Donoghue Global Kidney Policy Forum: Closing Remarks and Next Steps</b> 					
4:30 p.m. - 6 p.m.	<b>WCN'25 Opening Ceremony and Plenary Session 1</b> 					

Friday, February 7, 2025

Time	Session							
9:45 a.m. - 11:15 a.m.	<b>Kidney-Cancer Intersections: Complications, Checkpoints and Abnormalities - Charting a Course</b> Amaltas A Hall B101A	<b>New Directions in CKD Management: A Case-based Look at the 2024 KDIGO Guidelines – ISN-KDIGO Joint Session</b> Amaltas B Hall B101A	<b>Genetic Kidney Diseases: Current Trends and Future Perspectives – ISN-JSN Joint Session</b> Auditorium Brahmkamal Hall	<b>Hot Topics From the Tropics</b> Champa Hall 304	<b>CKD-MBD Insights and Innovations for 2025 and Beyond: No Bone Left Uncovered</b> Gulmoher Hall 302	<b>Integrating Knowledge From Large-scale Data Sets in Your Research Strategy: Introduction to the Hands-on Big Data Lab at WCN'25</b> Kumudini Hall 301	<b>Planetary and Kidney Health: It is a Two-Way Journey</b> Neelkamal Hall 305	<b>State of the Art Insights Into Pregnancy and Pediatric Thrombotic Microangiopathies</b> Parijat Hall 201
11:45 a.m. - 12:45 p.m.	<b>Plenary Session 2</b> Auditorium Brahmkamal Hall							
1 p.m. - 2 p.m.	<b>Industry Symposium</b> Amaltas A Hall B101A							
2:15 p.m. - 3:45 p.m.	<b>Xenotransplantation - the Brave New World of Farm to Clinic</b> Amaltas A Hall B101A	<b>Unraveling the Cardiovascular-Kidney-Metabolic Nexus: Making All Work Together for Kidney Care</b> Amaltas B Hall B101A	<b>HIT! High Impact Clinical Trials – What and Why</b> Auditorium Brahmkamal Hall	<b>Improving Global Understanding and Achieving Equity in Peritoneal Dialysis Practices: ISN-DOPPS Joint Session</b> Gulmoher Hall 302	<b>Bridging the Clinical Gap: Sustainable Strategies and Innovative Therapies for Global Kidney Health</b> Kesar Hall 202	<b>Managing Rare Kidney Diseases Across the Lifespan: From Childhood to Adulthood</b> Kumudini Hall 301	<b>Innovative Interventions in Interventional Nephrology</b> Neelkamal Hall 305	<b>How Do I...? Practical Approaches to Kidney Care Challenges</b> Parijat Hall 201
4:15 p.m. - 5:15 p.m.	<b>CKD Screening: A Universal Necessity or a Targeted Approach? The Great Debate; ISN-ERA Special Session</b> Amaltas A Hall B101A	<b>Autoimmunity in Glomerular Diseases - Looking Beyond the Kidney</b> Auditorium Brahmkamal Hall	<b>Hot Debate - In This New Era of Artificial Intelligence, Do We Need Renal Pathologists?</b> Champa Hall 304	<b>Real World Ethics: When It's Hard to Be Good</b> Gulmoher Hall 302	<b>Exploring Complement System Dynamics: C3G and IgAN</b> Kumudini Hall 301	<b>Are Your Kidneys OK? Early CKD Detection and Key Advocacy Strategies – WKD Session</b> Neelkamal Hall 305		

Saturday, February 8, 2025

Time	Session									
8:30 a.m. - 9:30 a.m.	Industry Symposium Amaltas A Hall B101A		Industry Symposium Champa Hall 304		Meet the Experts Kesar Hall 202		Industry Symposium Neelkamal Hall 305			
9:45 a.m. - 11:15 a.m.	Toward Complex Understanding of Kidney Function in AKI: Role of Biomarkers, Sex Differences and the Tropics; ISN-KSN Joint Session Amaltas A Hall B101A	Anemia Management: Paradigm Shift or Hype? Amaltas B Hall B101A	Debunking Nephrology Myths: Insights From Global Kidney Care Leaders Auditorium Brahmkamal Hall	The ISN-KI/KIR Editorial Fellows Session: The Best of 2024/25 Articles Champa Hall 304	Pursuing Global Equitable Access to Peritoneal Dialysis: ISN-ISPDP Joint Session Gulmoher Hall 302	Making the Case: Investing in Kidney Care for Equity and Access Kumudini Hall 301	Renal Resilience - Recent Advances in Clinical Knowledge and Future Treatment of Rare Orphan Diseases; ISN-CSN Joint Session Neelkamal Hall 305	Key Issues in Transplantation in India: Challenges and Opportunities. ISN-Indian SN Joint Session Parijat Hall 201		
11:45 a.m. - 12:45 p.m.	Plenary Session 3 Auditorium Brahmkamal Hall									
1 p.m. - 2 p.m.	Industry Symposium Amaltas A Hall B101A		Industry Symposium Amaltas B Hall B101A		Industry Symposium Champa Hall 304		Industry Symposium Gulmoher Hall 302		Industry Symposium Kumudini Hall 301	
2:15 p.m. - 3:45 p.m.	Is the Future Now? Precision Medicine, Omics and AI for Kidney Health Amaltas A Hall B101A	Is it All Fluid Management? Dialysis Dynamics - HD, HDF, PD Amaltas B Hall B101A	Looking into the Crystal Ball - Where Will We Be 5 Years from Now? Auditorium Brahmkamal Hall	Understanding and Managing Renal-Respiratory Critical Conjunctions Champa Hall 304	Navigating Pregnancy and Kidney Disease: Risks, Benefits, and Global Insights. ISN-WIN Joint Session Gulmoher Hall 302	Young Nephrologists Session 2 Kesar Hall 202	Round Table with KI/KIR Editors Kumudini Hall 301	Advancing Global Transplant Equity: A Health-systems and Patient-centered Approach - ISN-TTS/WIT Joint Session Neelkamal Hall 305	What's Next in Kidney Care Research? Innovations and Clinical Trials on the Horizon Parijat Hall 201	
4:15 p.m. - 5:15 p.m.	Hot Debate - To D or Not to D? Do All Patients With CKD Need Vitamin D Supplementation? Amaltas B Hall B101A	Hot Debate - "The KDIGO BP Targets in CKD Are (Un)Achievable and (Un)Realistic" Auditorium Brahmkamal Hall	Connecting Cardio-Kidney-Metabolic Dots: Holistic Approaches to Patient Care Champa Hall 304	Implementing Nephrogenetics Across the Globe: ISN-IPNA Joint Session Gulmoher Hall 302	Seeing the Kidney Clearly: Solo Treatments and Orchestrated Care Through Evidence, Community, and Policy Kesar Hall 202	Kidney Disease Prediction and Prevention: Evolving Toward a Kidney Health Revolution Kumudini Hall 301	What Should I Do? Applying the Declaration of Istanbul Principles to Your Clinical Transplant Practice - ISN-DICG Joint Session Neelkamal Hall 305	Bridging Gaps in Kidney Disease Diagnostics: Striving for Equity Parijat Hall 201		

Sunday, February 9, 2025

Time	Session
9:45 a.m. - 11:15 a.m.	<b>The Ageing Kidney: Of Neurons and Nephrons</b> Amaltas A Hall B101A
	<b>Make It Work Better for Failing Kidneys with Sustainable Care</b> Amaltas B Hall B101A
	<b>Metabolic Crossroads: Kidneys, Liver Disease, and the Gut</b> Auditorium Brahmkamal Hall
11:45 a.m. - 12:45 p.m.	<b>Plenary Session 4</b> Auditorium Brahmkamal Hall

 ABOUT PROGRAM ABSTRACTS GRANTS REGISTRATION FILM EVENT INDUSTRY ESSENTIALS MEDIA

**SESSIONS ON SUNDAY, APRIL 14, 2024**

- Navigating Newer Approaches to Managing IgA Nephropathy**  
 Organized by Physicians' Education Resources, supported by Traverre Therapeutics  
 13:45 – 14:45 | Hall C1  
[Watch Livestream](#)
- Caring for the kidney to protect the heart: hitting two birds with one stone**  
 Organized by Bayer AG  
 13:45 – 14:45 | Hall C2  
[Watch Livestream](#)
- Emerging Concepts on Chronic Kidney Disease: From Nephroprotection to Hyperkalemia**  
 Organized by AstraZeneca  
 13:45 – 14:45 | Hall C3  
[Watch Livestream](#)
- IgA Nephropathy and APRIL: From bench to the clinical world**  
 Scientific content by ISN, supported by Otsuka, Visterra  
 13:45 – 14:45 | Hall C4  
[Watch Livestream](#)

## Sunday, April 14

10:30-11:00	Hitting the Four Hits: The Potential of Dual BAFF/APRIL Inhibition in IgA Nephropathy, supported by Alpine Immune Sciences
12:15-13:15	POC Testing for CKD/AKI Screening and Monitoring in Community Settings, supported by Nova Biomedical
13:15-14:00	Kindey Tank: Social Media as a Professional Tool
14:45-15:30	What is Ongoing in CKDu Around the World? – CKDU Interactive Discussions (ISN I3C)
16:00-16:30	Potential Role of Anti-CD38 Therapy in Autoimmune Kidney Diseases Like Lupus Nephritis, supported by Hi-bio
16:30-17:00	Laughter Therapy in Dialysis: What Does It Look Like and How Do You Do It?
17:00-17:30	Glomerular Disease Jeopardy
17:30-18:00	Challenges Pertaining to Peritoneal Dialysis Practice in Latin America: A Dialogue Between Nurses and Doctors
18:00-19:00	ISN Programs Award Sessions

If no revisions from feedback, programs will be uploaded to WCN website

FEBRUARY 6-9, 2025 | NEW DELHI, INDIA

# Open for questions

# SYMPOSIUM PACKAGE

- ☞ Rental of the room
- ☞ Standard AV equipment and technician support
- ☞ Use of speaker preview room
- ☞ Session recorded and made available with open-access on-demand for 12 months
- ☞ Ability to stream in virtual speakers
- ☞ Eight (8) symposium-only passes to access your symposium
- ☞ Provide program to be displayed in symposia e-book
- ☞ Signage (digital screen in exhibition hall and roll-up banner outside meeting room)
- ☞ Use of congress logo on invitations and promotional documents (after approval of artwork by organizer)
- ☞ Live translation available in 30 languages
- ☞ Catering is included for lunch symposia other slot can purchase additional catering through the form on the manual. Deadline January 20

- ☞ **AV set-up in all rooms:**
  - ❖ 2 x standing microphones
  - ❖ Sound system
  - ❖ 1 x comfort monitor on stage (2 for bigger capacity rooms) with timer + presentation for presenter view
  - ❖ 1 x speaker lectern
  - ❖ 1 x clicker
  - ❖ 2 x tables
  - ❖ 4 x chairs
  - ❖ 1 x camera
- ☞ **AV set-up cannot be changed**
- ☞ A maximum of five (5) faculty members is permitted per symposium
- ☞ Companies may order podium branding. Additional fee applies.
- ☞ Companies may order badge-scanning devices. Additional fee applies.
- ☞ Companies may order temporary staff to help with their session. Additional fee applies.

# Q&A AND POLLING

- ☞ Standing mics in the room
- ☞ Possibility to embed online Q&A systems provided by companies in session's screen (organized by company)
- ☞ Possibility to order polling devices. Additional fee applies

 WCN'24 e-book example  
<https://www.theisn.org/wcn24/industry/symposia/>

## Pre-congress:

-  Program e-book on congress website.  
*Symposium hosts to provide 16:9 landscape brochure by December 16*
-  Social media (Post will include symposia topics, companies' logos and symposia dates/times).
-  E-blast

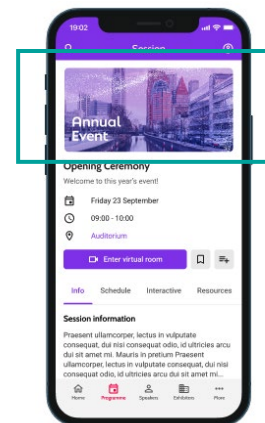

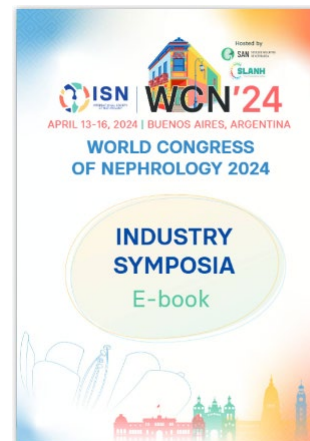

## On-site:

-  Exhibition hall screen
-  Congress app session banner:
  -  1200x600px JPEG provided by December 16
-  One (1) roll-up banner can be placed outside symposium room (set-up 30 mins pre-symposium and removal immediately after)

## Post-congress:

-  E-blast (recorded version)

Additional promotion is available. Get in touch for more information.

When promoting your industry session: 'Official WCN'25 sponsored session'

 WCN Media pack

# Open for questions

# MEET-THE-EXPERT PACKAGE

- ☞ Rental of the room
- ☞ Standard AV equipment and technician support
- ☞ Use of speaker preview room
- ☞ 60-minute session
- ☞ Open to all delegates
- ☞ Stage, AV and screen available to use
- ☞ Full meet-the-expert schedule promoted via email and social media before, during and post-congress
- ☞ Your program details displayed on the pocket program, congress website and signage in the venue
- ☞ Use of congress logo on invitations and promotional documents (after approval of artwork by organizer)
- ☞ Live translation available in 30 languages
- ☞ Roundtable set-up with handheld microphones available to facilitate discussions

- ☞ AV set-up in all rooms:
  - ❖ Stage
  - ❖ 2 chairs
  - ❖ Lectern
  - ❖ Screen
  - ❖ Crescent rounds for 60 capacity
  - ❖ Microphones on room tables
  - ❖ Sound system
- ☞ AV set-up **cannot be changed**
- ☞ A maximum of four (4) faculty members is permitted per session
- ☞ Companies may order podium branding. Additional fee applies.
- ☞ Companies may order badge-scanning devices. Additional fee applies.
- ☞ Companies may order temporary staff to help with their session. Additional fee applies.

# Q&A AND POLLING

- ☞ Standing mics in the room
- ☞ Possibility to embed online Q&A systems provided by companies in session's screen (organized by company)
- ☞ Possibility to order polling devices. Additional fee applies

# Open for questions

- ☞ 20-30 minutes presentation slot
- ☞ Stage, AV and screen available to use
- ☞ Full spotlight stage schedule promoted via email and social media before, during and post-congress
- ☞ Your program details displayed on the congress app, congress website and signage in the venue
- ☞ Two (2) exhibitor badges for your staff and faculty to access
- ☞ Recording and on-demand available for an extra fee

## SPOTLIGHT STAGE PACKAGE

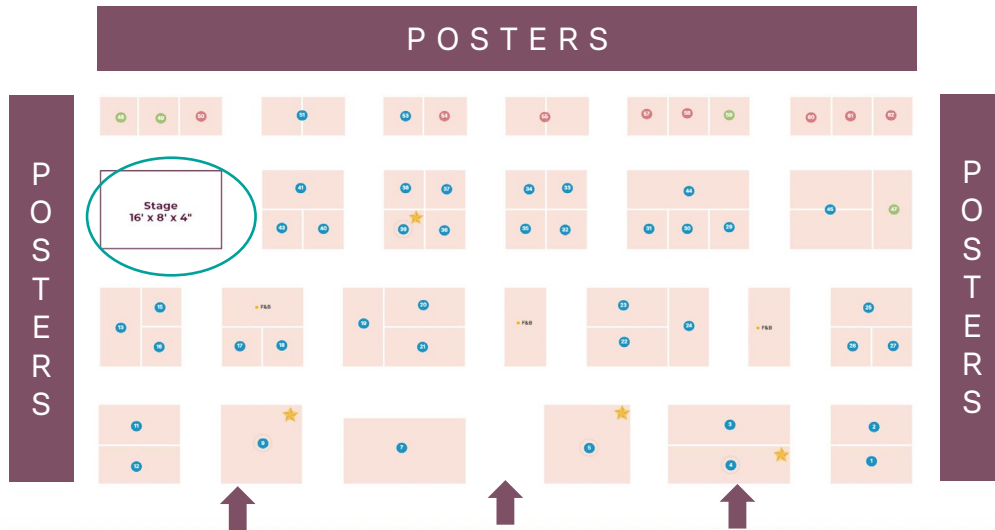

## Stage set-up

- ❖ Mini stage
- ❖ 3 stools on stage for presenters
- ❖ Laptop
- ❖ 2-3 microphones
- ❖ Large screen
- ❖ Casual sitting 30 – 40 capacity
- ❖ Technical support

## Located inside the exhibition hall (floor 6)

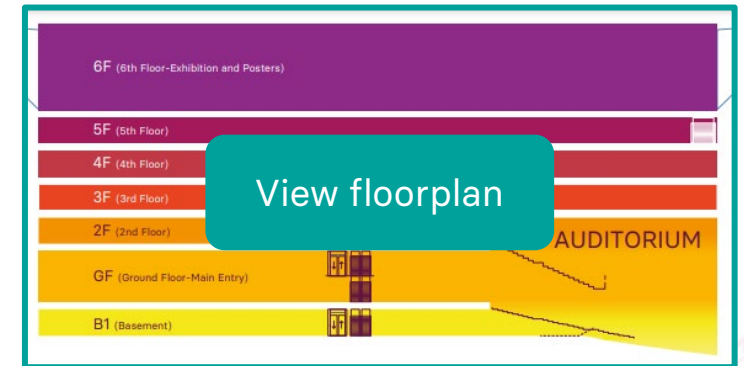

The session rooms are located:

- Basement 1: Amaltas A Hall B101A, Amaltas B Hall B101B, Speaker Preview Room
- Floor 2: Parijat Hall 201, Kesar Hall 202
- Floor 3: Javakusum Hall 303, Neelkamal Hall 305, Gulmohar Hall 302, Champa Hall 304, Kumudini Hall 301
- Floor 6: Spotlight Stage

Industry symposia and meet-the-expert organizers must upload their slides in the Speaker Preview Room

Spotlight stage organizers can upload their slide deck directly on the stage laptop with the technician

# DEADLINES

🌀 November 15, 2024:

Program submission due\*

🌀 December 1, 2024:

Feedback on programs available

🌀 January 6, 2025:

Book rehearsal slot

Book podium branding (valid for symposium and meet-the-expert only)

Add live streaming (valid for symposium only)

Finalize any additional Q&A and/or polling needs

🌀 January 20, 2025:

Book badge scanners

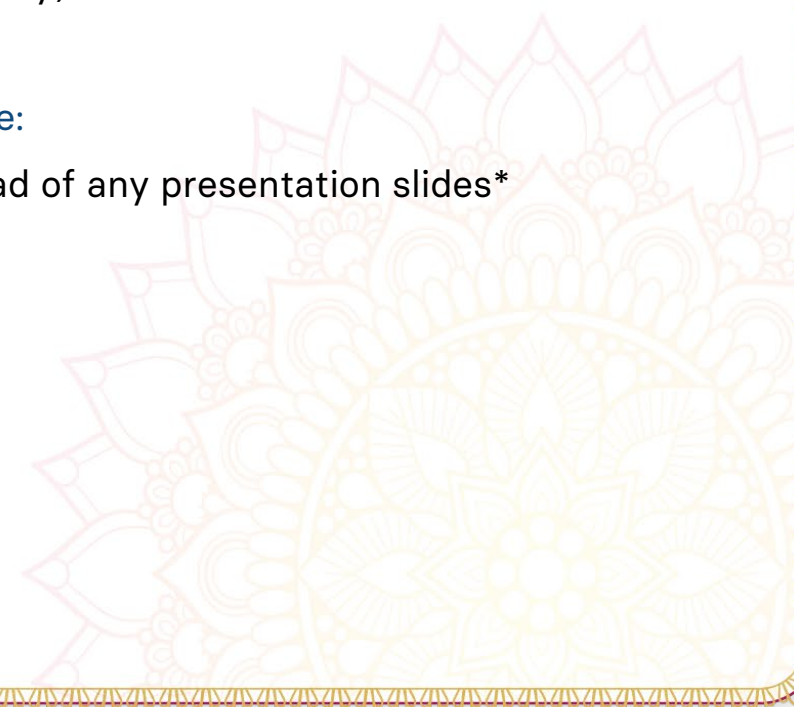

Book any required catering

Book any temporary staff needs

Artwork for podium branding (valid for symposium and meet-the-expert only)

🌀 Whilst on-site:

Organize the upload of any presentation slides\*
