

**YOU'RE INVITED**

# The Link Between Endothelin-1, Angiotensin II, and Proteinuria in the Pathophysiology of CKD

**Symposium and Q&A/panel discussion broadcast live**

**Saturday 26 February, 2022, 10:00-11:30 ET (16:00-17:30 CET; 23:00-00:30 MYT)**

Available on demand thereafter

## Speakers

**Prof. Jonathan Barratt**  
University of Leicester, UK (Chair)

**Dr. Donald Kohan**  
University of Utah, USA

**Dr. Ariela Benigni**  
Mario Negri Institute for  
Pharmacological Research, Italy

## Join the symposium to hear from our speakers about:

- The Dual Role of Endothelin-1 and Angiotensin II in CKD (Dr. Donald Kohan)
- The Dual Role of Endothelin-1 and Angiotensin II in FSGS and IgA Nephropathy (Dr. Ariela Benigni)
- The Clinical Significance of Proteinuria in FSGS and IgA Nephropathy (Prof. Jonathan Barratt)

**NOT REGISTERED FOR WCN'22?  
YOU CAN STILL ACCESS OUR SYMPOSIUM FOR FREE
