## Accreditation and Credits

The ISN World Congress of Nephrology, Bangkok, Thailand, 30/03/2023-02/04/2023 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with 19 European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she spent in the educational activity. Make sure you scan your badge at the CME "Badge Scanning Zones".

## GENERAL INFORMATION

### Badges

Official WCN'23 badges must be worn at all congress activities. If lost, a replacement badge can be purchased at the registration desk.

### Food and Drinks

Food and drinks are served during scheduled coffee breaks (March 30 - April 2), as well as during the welcome reception on March 30.

Food is also served at select Industry Symposia from 12:00-13:00 and 17:00-18:00.

### Childcare and Access for Minors

Minors (persons under 18 years of age) are allowed to access the congress venue and areas in use by WCN'23. Minors must be registered at the congress registration desk. Registered children will be required to wear a badge or wristband which will include the contact details of their caretaker at all times whilst on site.

The following facilities are available:

- ▶ A "Mom&Kids" room is available at the QSNCC, LG level. Facilities include three private rooms.
- ▶ A playroom for parents, caretakers and minors is available at the QSNCC, level 1, next to Meeting Room 113. Hospitality staff will supervise the room but are in no way responsible for the supervision of minors. Minors must be accompanied by their parent or caretaker at all times.
- ▶ In each session room, the seats nearest to the exit will be reserved for delegates who may need to abruptly leave a session, such as doctors on call or parents with children.

Adults are fully responsible for the appropriate behaviour of the children they accompany. Interference with congress activities will not be accepted. The organizers take no responsibility for any damage to the venue or other facilities, or disruption caused by minors. Content deemed unsuitable for children may be displayed during WCN'23 congress sessions.

Minors will not be admitted to the Opening Ceremony, the Exhibition Hall, the Interventional Nephrology Course and Industry Symposia.

### Venue Facilities Located on LG Level:

- ▶ Prayer room
- ▶ First aid
- ▶ Access to MTR station (public transport)
- ▶ Food outlets
